

Congratulations - Welcome to the Teams Make Dreams family!

OUR MISSION: *We will work together as a team to solve social and economic challenges. Our goal is to create a culture where we thrive and prosper; where love, unity and pride run deep in our hearts, mind and spirit. We believe in each other; that we are capable, willing and able to achieve success, excellence and greatness. Our life purpose is simply working with others building their dreams, for their families and communities for the rest of our lives. We are going to change the world and how the world sees us because Teams Make Dreams.*

Since 1998, **Teams Make Dreams** has empowered hundreds of thousands of families across North America. Using LegalShield as our vehicle, we provide access to justice with our member services, and economic justice through our financial opportunity.

We work as a team so no one is on their own; anyone willing to LEARN and FOLLOW the **proven, simple systems** can achieve success....regardless of experience, education, economic circumstances or time limitations. We all start from where we are!
